

“I’m IT” Safety Tag

INSTRUCTIONS:

After printing this page, cut out the entire tag, then fold in half. Punch a hole as indicated and attached to a string or lanyard. Whoever is wearing the lanyard is in charge of your kiddo. There's a place to write your child's name and an emergency phone number.

The image shows a safety tag template. It is a rectangular card with a dashed border. At the top center, there is a small circle indicating where to punch a hole. Below this is a red rounded rectangle containing the text "I'M IT TAG" in large white letters, and "IT'S MY TURN TO WATCH OVER" in smaller white letters below it. Underneath the red rectangle is a white rectangular area with the word "name" centered in a light gray font. Below the white area is another red rounded rectangle. A dashed line separates this top section from the bottom section. Below the dashed line, the text "FOLD HERE" is centered. Underneath "FOLD HERE" is the text "AutismBlueprint.com" centered. Below this is a white rectangular area with a thick black border. Inside this area, the text "EMERGENCY PHONE NUMBER" is centered in red, with "If missing or medical emergency call 911." centered in red below it. Below the white area is the text "Do not leave child unattended." centered. At the bottom center, there is another small circle indicating where to punch a hole.
