

BACK-TO-SCHOOL is SPECIAL!

Individualized Strategies and Tips for a Smooth Start

Build A Calendar

To ease tension and increase understanding, place icons /pictures on important calendar dates.

Facilitate Ownership

Have your child participate in purchasing and organizing school supplies and clothing items.

Encourage Responsibility

Sort items according to function and discuss the use and care of each item.

Develop A Growth Mindset

Make goals for the new school year.

Talk about what your child can do NOW and what they can't do YET!
